Dear Parents,

I am sure you are hearing lots of information in the media about the return to school nationally so I thought I would write to you to tell you the details that are specific to King David Primary School.

The children in the Primary School will not be expected to wear masks or face coverings, but if members of staff wish to they can.

We are staggering the entry and exit times to minimise the numbers of people coming through the gates at once and request that parents adhere to social distancing guidelines and do not congregate together. The children in EYFS and KS1 will enter their classrooms by the doors that lead onto the playground. Please adhere to the drop off/collection times you have been allocated to reduce congestion at the doors. Miss Walker's Y2 class will enter and exit via the door between Mrs Rubinstein's classroom and the hall.

Key Stage 2 pupils have been allocated playground zones and we have designated areas for them to meet their teachers and be escorted into the school building. Please see the attached map to show you where we would like you to bring and collect your KS2 children.

The children will be expected back in full uniform, but we have suspended the wearing of ties temporarily. All boys should wear their kippah and boys in KS2 should wear their tzitzit. Please encourage your boys to tuck their tzitzit into their trousers to avoid dangling. Please make every effort to clearly label every item of clothing for your child so any discarded items can be returned easily.

We would like the children to bring as few belongings to school as possible so please do not allow them to bring toys or books with them other than a small pencil case and colouring book for wet breaks that will be left in school during term time. We also ask that every child has their own bottle of hand sanitiser for their personal use, although we have installed sanitiser dispensers around the building and increased the number of sinks available.

Please also give your child a box of tissues on the first day of term that can be used in the classroom. We also ask that you give your child a named, reusable water bottle that will be used to drink from during the day and with their sandwich lunches. This will be sent home each weekend for you to wash thoroughly.

Thank you once again for your cooperation and hopefully our return to school will run as smoothly as possible for you and your children.

With best wishes,  
 S Rosenberg  
 Headteacher

## Drop Off and Pick up directions

**A-F: 8:45 - 3:15**

**G-M: 8:55 - 3:25**

**N-Z: 9:05 - 3:35**

We appreciate you arriving on time to make the process as easy as possible.

### Siblings

If you have children in different year groups, then you should collect your younger child first.

In the morning KS2, especially UKS2 children will be able to go and wait in their own zones independently at their given time, ready to be met by a teacher from their year group.

### Nursery

Please wait to drop off and collect your child within the Nursery playground. The teachers will dismiss the children to you from the classroom doors one by one at the given times.

### Reception

Please wait to drop off and collect your child outside the reception classrooms. The teachers will dismiss the children to

you from the classroom doors one by one at the given times.

### Year 1

Please wait to drop off and collect your child outside your Year One classroom. The teachers will dismiss the children to you from the classroom doors one by one at the given times.

### Year 2

If your child is in 2D, please wait to drop off and collect your child outside the 2D classroom. The teachers will dismiss the children to you from the classroom doors one by one at the given times. If your child is in 2K, please wait to drop off and collect your child outside the hall doors in the KS1 playground. Your child's teachers will bring the children downstairs and dismiss them at the given times from the double doors by the stairs.
