Dear Parent

Publication of Pupil Photographs

From time to time events and school life are captured by photographs. These may appear around school, but also in various newspapers and publications. Sometimes your child's name is used.

It is our practice to seek parental permission before including your child's photo. Please sign the consent form and return it to school.

Children's names will not be included on the school web site adjacent to their photograph.

Thank you for your co-operation.

Mrs Nicola Nelson
Headteacher

Child's name Class

I do / do not (please delete) wish for a photograph of my child to appear in any newspapers or publications.
