GOVERNORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2025

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year 1 September 2024 to 31 August 2025. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

The trust operates a primary academy for pupils aged 3 to 11 serving an area in North Manchester. It has a pupil capacity of 480 and had a roll of 427 in the school census in January 2024. The trust operates an admission policy in order to fulfil its objectives as per the "Objectives and Aims" listed below.

Full details of the admission policy can be found at: <http://www.kingdavidprimary.co.uk/admissions/>

STRUCTURE, GOVERNANCE AND MANAGEMENT

a. Constitution

The academy is a charitable company limited by guarantee and an exempt charity incorporated in the UK. The Trustees of King David Schools (Manchester) Charitable Trust are responsible for the overall direction and religious content and appoint its foundation governors.

The charitable company's Memorandum of Association is the primary governing document of the academy dated 22 July 2011.

The Trustees of The King David Primary School are also the directors of the charitable company for the purposes of company law.

The charitable company is known as The King David Primary School. It is also known as King David Primary, and King David Primary School Academy Trust.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1. The Governors are to manage the business of King David Primary School.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Governors' indemnities

The King David Primary School has purchased insurance to cover Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. Details of the costs can be found in note 12 of the accounts.

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

d. Method of recruitment and appointment or election of Trustees

The trustees of King David Schools (Manchester) Charitable Trust are responsible for the appointment of Foundation Governors. Parent and staff Governors are elected through an election process directed by the Governing Body. In the event that these positions are not filled, the Governing Body are able to appoint these positions. The number of Governors shall not be less than three and no more than sixteen. The King David Primary School shall have the following Governors:

- 1 Staff governors (the Headteacher)
- 7 Foundation governors
- 1 Associate governors
- 2 Parent governors

e. Policies adopted for the induction and training of Governors

Governors are appointed based on the skills that they will bring to the Governing Body or based on a proposal to the Governing Body by representative groups. On appointment, Governors receive information relating to King David Primary School, attend a briefing and receive an induction pack on the role and responsibilities of Governors. During the period, Governors were offered all necessary training.

FOR THE YEAR ENDED 31 AUGUST 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

f. Organisational structure

The structure consists of four levels, Trustees of King David Schools (Manchester) Charitable Trust, Members, Governors and Senior Leadership Team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Trustee of The King David Schools (Manchester) Charitable Trust, KDS Trustees Limited, is responsible for the overall direction, religious content and appointing the foundation governors of The King David Primary School, who must be the majority of governors. King David Schools (Manchester) is controlled by the Directors of the trustee company (KDS Trustees Limited) whose directors are Joshua Rowe (Chair), Stephen Elias and Andrew Berkeley. The King David Primary School Articles of Association may not be amended without the agreement of The King David Schools (Manchester) Charitable Trust and KDS Trustees Limited.

The Members of The King David Primary School are governors. They are the subscribers to the trust's memorandum of association. Members have an overview of the governance arrangements of the Academy. The current Members are Joshua Rowe, Steven Wiseglass, Jonathan Dover and Andrew Berkeley.

The Governors (often referred to as trustees of the Academy) are responsible for setting general policy, adopting a Strategic School Development Plan and setting the budget. They also monitor The King David Primary School by the use of financial reports and examination results and make major decisions about the direction of The King David Primary School, capital expenditure and senior staff appointments.

The School Leadership Team is made up of the Headteacher, supported by a Deputy Head, who is also the SENDCO, two Assistant Heads, one who is responsible for EYFS & KS1, is the DSL and Senior Mental Health Lead. The other Assistant Head oversees KS2, curriculum and data. The fifth member of SLT is the Head of Jewish Studies. These leaders control The King David Primary School at an executive level implementing the policies laid down by the Governors and are accountable to them for the performance of the school.

The Governing Body has various sub committees. Each committee has its own terms of reference detailing the responsibilities discharged to the committee, to the Headteacher (the Accounting Officer) and to the School Leadership Team. The terms of reference and meeting frequency for each committee is reviewed and approved by the Governors annually. The terms of reference for the Finance and Audit committee detail the School's authorised spending limits.

The committees of the Governing Body are:

- Finance and Audit
- Health and Safety
- Safeguarding
- SEN
- Quality of Education
- Pupil and staff well being
- Jewish Studies
- Remuneration & Personnel

g. Arrangements for setting pay and remuneration of key management personnel

Pay for members of the leadership team is based and set according to the current pay model for leadership. They are then assessed and appraised annually and the pay policy in place for all staff is applied.

OBJECTIVES AND ACTIVITIES

a. Objects and aims

The King David Primary School opened as a school on 1 June 2013 replacing King David Primary School which ceased to be maintained by the Local Authority on that date. The King David Primary School's principal activities are to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, managing and developing a school, with a designated Jewish religious character, offering a broad and balanced curriculum.

The academy's admission policy is available for download on the school website.

b. Objectives, strategies and activities

King David Primary School's object is to advance for the public benefit education for children aged 3 - 11 by establishing, maintaining, managing and developing a school offering an outstanding curriculum that raises standards and aspirations.

Its aim is to provide the children with the necessary academic, creative, physical and social skills that will develop throughout their education and lay the foundations for a fulfilled adult life.

The wider aims of King David Primary School are:

To play our part in raising national standards in education through sharing good practice with other schools and teachers across the country. To take a leading role in national initiatives.

c. Activities for achieving objectives

OBJECTIVES AND ACTIVITIES (continued)

d. Public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

STRATEGIC REPORT

ACHIEVEMENTS AND PERFORMANCE

a. Key performance indicators

The Leadership Team consider the following to be the key performance indicators for the school:

Pupil numbers – 427
Attendance for 2024/25 – target 96%, actual 95.9%
No fixed term exclusions and no permanent exclusions
Ofsted 'Outstanding' in all measures in Section 8 inspection (April 2023)
Pikuach outstanding in all categories (June 2024)

b. Going concern

The Trustees have considered the charity's ability to continue as a going concern for a period of at least 12 months from the date of approval of these financial statements. The Academy is currently reliant on securing future support from the Department for Education (DfE), which remains uncertain at the time of signing.

To mitigate the impact of reduced Government funding that the school has experienced over a number of years, upon which the academy is heavily reliant, the Academy is managing its cashflows and the Senior Leadership Team have been instructed to cut costs wherever possible and also seek to identify sources of additional income. Considerable focus and investment are placed on maintaining and managing key relationships with the DfE.

The Academy is exploring opportunities to reduce the form entry whilst retaining the Jewish ethos of the school and exploring opportunities to generate new income streams for the school.

In addition, the charity is dependent on financial support from its parent Charity (The King David Schools (Manchester) Charitable Trust), which is actively engaged in fundraising efforts to meet its own obligations and to support the school. A fundraising campaign is planned for January 2026. The Governors have received an indication of financial support from the Trustees of the parent Charity, which is dependent upon the 2026 fundraising.

The Academy has continued to engage with a School Resource Management Advisor (SRMA) following the previous reports prepared. The Senior Leadership Team have already implemented many of the recommendations of their report and continue to explore other opportunities and recommendations.

These factors indicate the existence of a material uncertainty that may cast doubt on the Charity's ability to continue as a going concern. Nevertheless, the Trustees believe that, based on current plans and ongoing discussions, it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result if the Charity were unable to continue as a going concern.

STRATEGIC REPORT (continued)

ACHIEVEMENTS AND PERFORMANCE (continued)

c. Review of activities

The academy was subject to an Ofsted inspection in April 2023 and was found to be Outstanding in every area. We continue to support our staff and pupils to maintain this status.

The academy trust is experiencing funding challenges following reductions in the funding available from the DfE that it has experienced over the last few years. It is monitoring budgets closely, identifying new funding opportunities and areas where cost savings can be made to ensure that it returns to a more robust financial position. Cash at bank at 31 August 2025 was £159,089.

The great majority of funding (c71%) is received from the DfE, and this supports the delivery of education for students. Within this, we received £53,555 of Pupil Premium funding, which is used to help overcome the barriers to achievement faced by the most disadvantaged students.

FINANCIAL REVIEW

The main sources of income are from DfE (GAG) and from Manchester City Council for Block Funding.

During the current year the Academy has had a total income of £2,790,715 (excluding the rental donation) of which £1,751,799 was from DfE (GAG) and total expenditure of £3,061,772 (excluding depreciation, rental expense and LGPS pension adjustments). As at 31 August 2025 reserves excluding restricted fixed asset fund and pension fund were £118,291.

a. Reserves policy

The level of unrestricted reserves held at 31 August 2025 total £118,291. A spending plan has been completed detailing the short, medium and long term needs and plans of King David Primary School. The Governors review the reserves levels of King David Primary School annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. Ongoing budget monitoring and cash flow management is overseen by the Finance and Audit committee on a regular basis.

The Governors have set a target reserves level of £150,000 to ensure the academy has sufficient funds for any unanticipated expenditure. This is equivalent to one month's total expenditure which is considered appropriate, taking into consideration the obligation to approve a balanced budget each year and contingency for short and medium term commitments that may arise outside of the annual review process.

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2025

b. Principal risks and uncertainties

The Governors are aware of their responsibility of the major risks to which The King David Primary School is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of The King David Primary School, and its finances. The Governors have implemented a number of systems to assess risks that the school faces, especially in the operational areas (eg in relation to teaching, health & safety and school visits) and in relation to the control of finances. The Governors will introduce further systems, including refinements of internal financial controls in order to minimise risk so that they are satisfied that systems are in place to mitigate any exposure to major risks. They have ensured they have adequate insurance cover. The King David Primary School has an effective system of internal financial controls and this is explained in more detail in the Governance statement.

A formal review of The King David Primary School's risk management process is undertaken on an annual basis and key controls in place will include:

- Formal agendas for all committee activity
- Terms of reference for all Governing Body and delegated committees under the direction of the Governing Body
- Pecuniary interests of Governors reviewed at each meeting
- Comprehensive budgeting and management reporting
- Established organisational structure and clear lines of reporting
- Formal written policies
- Clear authorisation and approval levels
- Vetting procedures as required by law for protection for the vulnerable

c. Financial risk management, objectives and policies

Key controls in place are:

- An organisational structure is in place with defined roles, responsibilities and authorisation levels
- Frequent reporting to Governors
- Appointment of a Chief Finance Officer responsible for the Financial Planning
- Budgeting and regular Management Reporting
- Formal written policies for staff approved by the Governors

Fundraising

The academy had no fundraising activities requiring disclosure under the provisions of the Charities (Protection and Social Investment) Act 2016.

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2025

Plans for future periods

The aim is to provide a structure for continuous improvement and achievement at all key stages and to maintain high level outcomes at Foundation Stage, Key Stage 1 and 2.

Achievement (attainment and progress)

Key Priorities:

The Quality of Education

- To continue to implement a rigorous process of school development to raise standards of writing.
- To improve the handwriting skills of pupils across the school.
- To increase the percentage of pupils achieving the greater depth standard in Maths, Reading & writing in KS1.
- To further develop the school's monitoring process of foundation subjects, including Science & Art.
- To embed adaptive teaching across all key stages, in all areas of the curriculum, to provide appropriate support for vulnerable pupils.
- To begin to develop a new assessment system for Jewish Studies knowledge.
- To continue to develop Quality First Teaching to include an improved knowledge of the strategies essential to teach pupils with dyslexia.
- To further embed the use of Complete Comprehension in Y1- Y6.

Behaviour and Attitudes

- Continue to focus on improving attendance & punctuality in support of Manchester LA's initiative.
- Further develop pupils' understanding of online behaviour.
- To continue to rollout the Heads Up Programme for Social & Emotional Well-being in Reception to Y6.

Personal Development

- To train staff to deliver the Heads-Up Well-being programme in Y5 & Y6.
- To develop the use of the ADHD Screener pilot.
- develop the role of the new Well-being Champions on the Pupil Leadership Team.
- To continue to develop attitudes of inclusivity and diversity.
- Investigate ways of measuring the impact of the Mental Health interventions introduced in recent years.
- To continue to support staff well-being.

Leadership and Management

- To continue to strengthen the roles of subject leaders.
- To consider succession planning in the leadership team.

Early Years Foundation Stage

- Continue to develop planning to enhance the teaching of early writing to support the whole school writing initiative.
- To continue to develop planning for outdoor activities to enhance the curriculum following the development of the outdoor area.
- Develop opportunities for activities that deepen the children's understanding of the world in which they live.
- To deliver the Heads-Up programme for Social & Emotional learning in Reception.
- To develop internal tracking to identify more able pupils in EYFS as the Reception Baseline no longer tracks "exceeding."
- To increase the number of pupils achieving the GLD in Maths.

Disclosure of information to auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on Dec 22, 2025 and signed on its behalf by:

GOVERNANCE STATEMENT

Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that The King David Primary School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governors, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Governors has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The King David Primary School and the Secretary of State for Education. They are also responsible for reporting to the board of Governors any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of trustees' responsibilities. The board of Governors has formally met 3 times during the year. To maintain effective oversight of funds the finance and audit committee met monthly.

Attendance during the year at meetings of the board of Governors was as follows:

Trustee	Meetings attended	Out of a possible
Mr S Wiseglass	3	3
Mrs S Rosenberg	3	3
Mrs L Clyne	3	3
Rabbi D Walker	3	3
Mr B Morrison	2	3
Mrs S Fagelman	3	3
Mrs Z Frost	1	3
Mr B Jacobson	3	3
Mrs S Behar	3	3
Mrs A Shapiro	2	3
Mr A Lowe	2	2

The governing board has determined that it is able to convene on a termly basis and maintain effective oversight, particularly as the Chair of the Board meets no less than six times per year with the Headteacher to monitor progress and is kept informed of any pertinent matters which may arise from time to time. In addition the finance committee meets no less than six times per year whilst receiving monthly reports relating to the financial position and, from time to time, are provided with other relevant reports relating to matters at the School. All other committees of the Governing Body aim to meet at least termly. Email communications have continued to prove to be an effective way in which to keep Governors informed between meetings, although it has been necessary previously for the board to hold meetings outside of its prescribed schedule. In these circumstances arrangements have been coordinated by the Clerk, with telephone conferencing facilities put in place to ensure maximum possible attendance. This practice will be repeated in future, if required. Governors are also encouraged to visit the School at any time to meet with Headteacher and other employees or simply to observe aspects of the school day through learning walks.

The School ensure the Register of Interests is maintained with any declarations made in Governor and Committee meetings formally minuted with any individual who has a conflict excluded from that part of the meeting.

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money

As accounting officer, the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of Governors where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy has delivered improved value for money during the year by:

- As accounting officer the Headteacher has responsibility for ensuring that the academy trust achieves value for money in its educational operations.
- The Academy vigorously pursues value for money in all its day to day services and staff appointments are critically examined as to the filling of any vacancies that arise.
- The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The King David Primary School for the year 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of Governors has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Governors.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Governors
- regular reviews by the Governors of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to buy-in an internal audit service from One Education

THE KING DAVID PRIMARY SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework (continued)

The reviewer's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included a review of the preparation and reporting of management accounts in line with the requirements of the Academy Trust Handbook 2024.

On an annual basis, the reviewer reports to the board of Governors through the Finance and Audit committee on the operation of the systems of control and on the discharge of the Governors' financial responsibilities.

The appointee's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. One Education HR have reviewed the academy's appraisal processes.

Review of effectiveness

As accounting officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditor;

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Governing body and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Conclusion

Based on the advice of the audit and risk committee and the accounting officer, the board of trustees is of the opinion that the academy trust has an adequate and effective framework for governance, risk management and control.

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of The King David Primary School, I confirm that I have had due regard to the framework of authorities governing regularity, propriety and compliance, including the trust's funding agreement with DfE, and the requirements of the Academy Trust Handbook, including responsibilities for estates safety and management. I have also considered my responsibility to notify the academy trust board of trustees and DfE of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management.

I confirm that I, and the board of trustees are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the framework of authorities.

I confirm that no instances of material irregularity, impropriety or non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and DfE.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2025

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Department for Education, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE
KING DAVID PRIMARY SCHOOL**

Opinion

We have audited the financial statements of The King David Primary School (the 'academy') for the year ended 31 August 2025 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 1.2 in the financial statements, which indicates that there is a material uncertainty of the future funding of the Academy. As stated in note 1.2, these events or conditions, along with the other matters as set forth in note 1.2, indicate that a material uncertainty exists that may cast significant doubt on the academy's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the academy operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102), Companies Act 2006, Academies Accounts Direction and the Academy Trust Handbook. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the academy's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the academy for fraud. The key laws and regulations we considered in this context were General Data Protection Regulation, health and safety legislation, education and employee legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquire of the Trustees and other management and inspection of regulatory and legal correspondence, if any. We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing and completeness of income recognition and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the DfE, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing noncompliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE KING
DAVID PRIMARY SCHOOL AND THE SECRETARY OF STATE FOR EDUCATION**

In accordance with the terms of our engagement letter dated 28 August 2024 and further to the requirements of the Department for Education (DfE) as included in the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts 2024 to 2025, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by The King David Primary School during the year 1 September 2024 to 31 August 2025 have not been applied to the purposes identified by Parliament and that the financial transactions do not conform to the authorities which govern them.

This report is made solely to The King David Primary School and the Secretary of State for Education in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The King David Primary School and the Secretary of State for Education those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The King David Primary School and the Secretary of State for Education, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The King David Primary School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The King David Primary School's funding agreement with the Secretary of State for Education dated 1 September 2013 and the Academy Trust Handbook, extant from 1 September 2024, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts 2024 to 2025. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2024 to 31 August 2025 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by DfE. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2024 to 31 August 2025 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025

1. Accounting policies

GENERAL INFORMATION

The King David Primary School is a private limited company by guarantee without share capital, registered in England (No. 08424154).

The address of the registered office is Wilton Polygon, Bury Old Road, Manchester, M8 5DJ.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by DfE, the Charities Act 2011 and the Companies Act 2006.

FOR THE YEAR ENDED 31 AUGUST 2025

1. Accounting policies (continued)

1.2 Going concern

The Trustees have considered the charity's ability to continue as a going concern for a period of at least 12 months from the date of approval of these financial statements. The Academy is currently reliant on securing future support from the Department for Education (DfE), which remains uncertain at the time of signing.

To mitigate the impact of reduced Government funding that the school has experienced over a number of years, upon which the academy is heavily reliant, the Academy is managing its cashflows and the Senior Leadership Team have been instructed to cut costs wherever possible and also seek to identify sources of additional income. Considerable focus and investment are placed on maintaining and managing key relationships with the DfE.

The Academy is exploring opportunities to reduce the form entry whilst retaining the Jewish ethos of the school and exploring opportunities to generate new income streams for the school.

In addition, the charity is dependent on financial support from its parent Charity (The King David Schools (Manchester) Charitable Trust), which is actively engaged in fundraising efforts to meet its own obligations and to support the school. A fundraising campaign is planned for January 2026. The Governors have received an indication of financial support from the Trustees of the parent Charity, which is dependent upon the 2026 fundraising.

The Academy has continued to engage with a School Resource Management Advisor (SRMA) following the previous reports prepared. The Senior Leadership Team have already implemented many of the recommendations of their report and continue to explore other opportunities and recommendations.

These factors indicate the existence of a material uncertainty that may cast doubt on the Charity's ability to continue as a going concern. Nevertheless, the Trustees believe that, based on current plans and ongoing discussions, it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result if the Charity were unable to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Sponsorship income**

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of financial activities in the year in which it is receivable (where there are no performance-related conditions) where receipt is probable and it can be measured reliably.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025

1. Accounting policies (continued)

1.4 Expenditure (continued)

All resources expended are inclusive of irrecoverable VAT.

1.5 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.6 Tangible fixed assets

Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Furniture and equipment	- 15 yrs
Motor vehicles and Plant and Machinery	- 3-5 yrs

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025

1. Accounting policies (continued)

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 17 and 18. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.12 Pensions

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially

and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

The net asset position per the actuary report has not been recognised, as it does not meet the recognition criteria under FRS 102 as there is no confirmed future reduction in contributions and the Academy is not entitled to a refund or any assets should the Scheme close in an asset position.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The asset values are reported using estimated asset allocations prepared by the scheme Actuary. The asset value is calculated at each triennial valuation. Thereafter it is rolled forward to accounting dates using investment returns, contributions received, and benefits paid out. Where a scheme is in a surplus according to the accounting valuation the associated asset has not been recognised on the basis that it is not likely to be recoverable either through future reductions in contributions rates or future repayments. Further details of pension assets not recognised can be found within the pensions note to the financial statements.

Land and buildings

The Freehold Property used by The King David Primary School is owned by the King David Schools (Manchester) Charitable Trust. The trustees of the King David Schools (Manchester) Charitable Trust have granted the Academy the right to use the land and buildings for educational purposes under a license to occupy. Therefore the building has not been recognised in these accounts in line with the Academies Accounts Direction 23/24.

The donation of £393,536 is the amount of rent provided free of charge from King David Schools (Manchester) Charitable Trust. The figure recognised has a matching expense in support costs and has been calculated using a commercial rate of rent of £13.21 per sq ft applied to the area of the school owned by the King David Schools (Manchester) Charitable Trust but occupied by the academy. The donation and rental expense represents the estimated market value of the benefit enjoyed by the school from its use of the premises. Debtors and creditors include £787,072 which represents the commitment and recognised donation income for the two year notice period included with the lease from King David Schools (Manchester) Charitable Trust to the Academy.

d. Key management personnel

The key management personnel of the academy comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy was £431,431 (2024: £391,464).

12. Trustees' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Trustees' remuneration and other benefits was as follows:

		2025	2024
		£	£

During the year ended 31 August 2025, expenses totalling £194 were reimbursed or paid directly to 1 Trustee (2024 - £345 to 1 Trustee).

13. Trustees' and Officers' insurance

The academy has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

26. Pension commitments

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hymans Robertson LLP. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020 and of the LGPS 31 March 2022.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The School participates in the Teachers' Pension Scheme ("the TPS") for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £341,237 (2024: £318,299).

The TPS is an unfunded multi-employer defined benefits pension scheme governed by The Teachers' Pensions Regulations 2010 (as amended) and The Teachers' Pension Scheme Regulations 2014 (as amended). Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Following the McCloud judgement, the remedy proposed that when benefits become payable, eligible members can select to receive them from either the reformed or legacy schemes for the period 1 April 2015 to 31 March 2022. The actuaries have assumed that members are likely to choose the option that provides them with the greater benefits, and in preparing the 2020 valuation have valued the 'greater value' benefits for groups of relevant members.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The valuation confirmed that the employer contribution rate for the TPS would increase from 23.6% to 28.6% from 1 April 2024. Employers are also required to pay a scheme administration levy of 0.08% giving a total employer contribution rate of 28.68%.

The employer's pension costs paid to TPS in the year amounted to £341,237 (2024 - £318,299).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2025 was £146,000 (2024 - £142,000), of which employer's contributions totalled £109,000 (2024 - £106,000) and employees' contributions totalled £ 37,000 (2024 - £36,000). The agreed contribution rates for future years are 17.2 per cent for employers and 5.5 - 12 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Changes in the fair value of the academy's share of scheme assets were as follows:

	2025 £	2024 £
At 1 September	1,828,000	1,827,000
Interest income	94,000	98,000
Actuarial losses	(360,000)	(213,000)
Employee contributions	37,000	36,000
Benefits paid	(27,000)	(26,000)
Employer contributions	109,000	106,000
At 31 August	1,681,000	1,828,000

The fair value of the Academy's share of scheme assets at 31 August 2025 totalled £2,403,000 (2024 - £2,120,000). An asset ceiling has been applied and as such a derecognition of the asset was made totalling £430,000 (2024 - £292,000), the total derecognition to date is £722,000. This is included within actuarial losses on share of scheme assets.

The present value of the defined benefit pension has been in a surplus position over the past two years. Our accounting policy states that a net surplus is recognised only to the extent that it is recoverable by the Group through reduced contributions or through refunds from the plan. Neither applies to the Pension surplus therefore, the present value has been adjusted to nil.

27. Operating lease commitments

At 31 August 2025 the academy had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2025 £	2024 £
Not later than 1 year	8,994	7,495
Later than 1 year and not later than 5 years	3,138	18,499
	12,132	25,994

In addition to the above the academy recognises expenditure of £413,213 (2024: £393,536) for the deemed market rent of the school property it occupies. A liability for two years' rental being the notice period required to relinquish occupation, has been recognised in creditors.

28. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £NIL for the debts and liabilities contracted before he/she ceases to be a member.

29. Related party transactions

Owing to the nature of the academy and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the DfE of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

The following transactions have taken place between King David Primary School and the following organisations in which a member of the governing body has a non-pecuniary interest.
